

Supplying the Federal Government with quality refrigerators and major appliances since 1974.

The Absocold refrigerator brand can be found in thousands of government funded facilities - from military barracks to dorm rooms - all across the US and in many parts of the globe.

Absocold has been a favorite of government buyers for years due to its durability and dependability, as well as the variety of sizes and colors available.

Our Cook 'N Cool® Combination Microwave-Refrigerator & Freezer models are one of only two on the GSA Advantage website. Check us out at www.gsaadvantage.com.
